Season's Greetings!

FROM THE MAYOR'S CORNER

Dear Surfsiders,

On December 11th the Surfside Parks and Recreation Department will host a **Holiday Extravaganza** at the Community Center. Highlights will include Santa's arrival and there will be "Snow on the Beach" for additional fun. I encourage you to come out, join your neighbors – let's celebrate the season together. The **New Year's Eve Gala** will be held poolside, at the Community Center starting at 9:00 p.m. It also offers our community an opportunity to come together and welcome in 2006, complete with dancing, refreshments and fireworks

I would like to thank the Commissioners and Town Staff for their exceptional work throughout Hurricane Wilma. Vice Mayor MacBride,

Commissioner Jimenez, Acting Police Chief Shawn P. O'Reilly and Public Works Director "Chip" Cohen come to mind when I recall the leaders of the Wilma recovery. The Police and Sanitation Departments both performed way beyond the call of duty, as they removed obstacles from the roads, identified hazards and delivered ice, medicine and food to Surfside's residents. Thanks to their dedication, our streets were safe and our community was well cared for.

All residents of Surfside need to be aware that they may experience some inconvenience during the upcoming, scheduled public facilities projects. The Town will begin a street repaving program shortly. The contract is being finalized. All residential streets in

Surfside will be resurfaced. A project to clean and video the entire sewer system has already begun. This project will identify current and incipient sewer repair projects. Soon, the Town will be replacing the pipes in its aging water system. The nature and duration of these projects will require cooperation and patience from all of us. The Florida Department of Transportation is finalizing plans to redo the Harding Avenue drainage system. Once the work begins, any major or undue inconvenience should be brought to my attention at mayor@townofsurfsidefl.gov. Keep up to date on improvements at www.townofsurfsidefl.gov.

The Community Center Renovation Project is moving forward. The trailers, in which the current library will be temporarily housed, have been ordered and should be delivered in late

HURRICANE WILMA REPAIRS: SURFSIDERS BEWARE OF UNLICENSED CONTRACTORS

In the aftermath of Hurricane Wilma, if you sustained any property damage, please remember to use a **licensed contractor for any repairs**. This is for the protection of all Surfside residents. It is unfortunate that disaster situations often unleash a myriad of shady, predatory, unqualified individuals who will, in their attempt to make a quick buck, misrepresent themselves to the unsuspecting public as competent in their field, when in fact they are not

licensed or capable of performing the services that they offer for hire. This is particularly prevalent in the roofing industry.

The Building Department is available to assist you and will make every effort to expedite the permit process. Please do not hesitate to contact the Code Compliance Department at (305) 861-4863 if you have any questions on whether the repairs to your home require a permit.

The Town of Surfside gratefully acknowledges the generosity of the office of Miami-Dade Commissioner Sally Heyman during this holiday season.

SURFSIDE COMMISSION HIGHLIGHTS

1. TOWN MANAGER'S REPORT

The Town Manager reported that there was a delay in getting the November Newsletter published due to the Hurricane.

The Town Manager reported that there is a Walking Path Workshop scheduled for November 15th at 6:00 p.m. in the Town Commission Chambers.

Also delayed due to Hurricane Wilma, was the deadline for submittal of proposals for Architecture Services for the Renovation and Expansion of the Community Center and Library Facilities. The deadline was extended to Tuesday, November 15, 2005.

next few months and making a recommendation to the Town Commission.

The Town Manager announced that the Town will be receiving approximately \$800,000 from the Community Bond Program. The funds will be used to replace water and sewer pumps in the Town. He noted that the need for capacity of the current stations has dramatically increased. The Town will be going out to bid for the project in December.

Acting Surfside Police Chief **Shawn P. O'Reilly** "directs" car wash customers

A Car Wash was held on Saturday morning, November 19 to raise disaster relief funds for the American Red Cross. Kudos are extended to the hard-working team on the soap and hose brigade, namely, the volunteer Girl and Boy Scouts. Acting Police Chief, Shawn P. O'Reilly, took to the streets and "directed" customers to the car wash site in the municipal lot at 94th and Harding Avenue. The **Surfside Publix Supermarket** generously donated water and soda to the charitable event.

Invaluable assistance was also provided by Surfside Police Public Service Aides Leo Miranda and Wanda Flores. Commissioner Steven Levine reported that "the support from local residents was tremendous and everyone who contributed to the success of the day is to be thanked. In addition to the nice donation that will be sent to the American Red Cross, students earned community service hours and had a lot of fun working together to collect money for a great cause."

CODE COMPLIANCE PROCEDURES

- Residents are reminded that all **tree** cuttings must be removed by the person, landscaper or contractor providing the service. **The Town is not responsible for removal of this material.**

- If a resident does his or her own tree trimming, please stack the landscaping material and place it on the **public right-of-way**. Please do not store it on the street as this creates traffic and safety hazards.

December. The library must be relocated before the renovation can begin.

I end by telling all of you how proud I am to serve you. Hurricane Wilma brought out the best in people. I saw neighbors talking to each other, some for the first time. I witnessed tremendous acts of charity, kindness and concern as we cared for each other in the days following Wilma. These are the things that you and I should never forget. These are the things that matter.

I, Vice Mayor Frank MacBride and Commissioners Orestes Jimenez, Steven Levine and Ruben Coto wish everyone a safe and joyous holiday season.
